DESCRIPTION

A stunning detached executive residence enjoying a delightful semi-rural setting within the sought-after hamlet of Moorend, Hambrook. Originally constructed as a bungalow, the property has been thoughtfully transformed and substantially extended over the years to create an impressive two-level family home, with the current owners having further enhanced and upgraded the accommodation to an exceptional standard.

Beautifully presented throughout, the spacious accommodation offers an impressive blend of contemporary family living and versatile spaces. The ground floor comprises an entrance hallway, cloakroom, bedroom, separate sitting room with bi-fold doors, guest bedroom/study, boot/boiler room, gym, utility room and, undoubtedly, the heart of the home – an outstanding open-plan living space which seamlessly joins the kitchen/dining and family room together.

The impressive kitchen is fitted with a range of modern units, complemented by a substantial central island incorporating a breakfast bar, with adjoining dining and family areas. An oak staircase with glazed balustrade leads down to a stunning full-width family room, featuring bi-fold doors opening onto the rear garden, further French doors to the side and a feature wood burner, creating a superb space for both everyday family life and entertaining.

To the first floor, an impressive 35ft landing provides access to four generous bedrooms. Bedrooms one and two benefit from Juliet balconies enjoying lovely countryside views, while the impressive principal bedroom features an en-suite shower room and walk-in dressing cupboard. There is also a further dressing room and a stylish family bathroom.

Externally, the property occupies a generous plot with a large front garden and driveway providing ample off-street parking. To the rear is a good-sized lawned garden, complemented by an extensive wrap-around composite decked area, providing a low-maintenance outdoor space with plenty of room for seating, dining and entertaining.

The location offers the best of both worlds – a peaceful, semi-rural setting with attractive countryside surroundings, yet remarkably convenient for Bristol and the surrounding areas. The property is ideally positioned for access to excellent transport links, providing easy commuting into the city, while the nearby amenities of Hambrook, Winterbourne, Downend and Emersons Green are all readily accessible.
