We are delighted to bring to market this deceptively spacious two bedroomed mid terraced property, sited within a most convenient location for Redruth town and its associated amenities. Ideal as a first purchase or as an investment opportunity, on entry you will find yourself in a spacious lounge/living room with insulated pine flooring throughout. There is a traditional fireplace with a wooden lintel over and a Rointe Serie K electric heater. Open access is given into a good sized partially tiled, bright kitchen diner with enough space to accommodate all of the essential appliances including an open access storage area with further under counter appliance space. Access is gained to the rear courtyard from the kitchen. A switchback staircase leads to a reverse L-shaped landing where access is gained to the two bedrooms, the larger of which is a very good size and positioned at the front of the property. The second bedroom is to the rear and both bedrooms are complemented by a family bathroom with an electric shower having a rain head and handheld over the bath. Externally, to the front, there is a hardstanding split level feature whilst to the rear, there is a courtyard style garden which has shared access with two other properties. The property has double glazing throughout, complemented by electric heating whilst we understand from the vendor that mains gas is available immediately outside the property, albeit currently disconnected. In terms of location, Redruth town centre, which offers both independent and chain stores, cafes, a cinema and public houses, can be accessed in just a few minutes, either on foot or via a short drive. The main line railway station in the town can also be reached on foot within minutes where there are links to London and other destinations and here, you will find bus services to Truro, Falmouth and Helston. There are also countryside walks in the area and it should be noted that Carn Marth, the second highest point in Cornwall,

can be accessed on foot in less than forty minutes, offering far reaching views from coast to coast. Further afield, Portreath Beach on the north coast is around a fifteen minute drive and there are many other local beaches and attractions that are equally accessible.
