There is also a stainless steel sink and drainer.

To the rear of the property is a spacious L-shaped living room, providing ample space for a dining table. A rear sliding patio door opens directly onto the garden, allowing plenty of natural light into the room.

On the first floor are three bedrooms, two of double size, both benefiting from built-in wardrobes. The third bedroom is single in size and would also make an ideal home study. An airing cupboard is located on the landing.

The family bathroom comprises a white suite including a bath with shower over, pedestal hand wash basin and WC, together with a side aspect obscure glazed window.

Outside, the rear garden has been landscaped to provide a patio seating area and lawned section to the rear, with a number of established trees. A pathway leads around to the side of the property, where there is a parking space in front of the house.

The property also benefits from a single garage situated in a separate block to the front of Vicarage Court.
