The land comprises a regular shaped single pasture field with good hedge boundaries and direct access from an unclassified public road. The field will be found to be in good heart and is either level or on a gentle north facing aspect.

From the field there are fine views of the area.

In total, the field extends to about 5.43 acres.

There is an electricity pole on the land.

DIRECTIONS

From the Victoria interchange on the A30(T), take the exit towards Withiel. Ignore the first turning to the left towards Withiel and take the next turning to the left towards Tremore. Drive for about 400 yards and the field will be seen on the left-hand side. A For Sale board is erected.
