The Lambeth is our take on what a modern, practical and stylish four-bedroom semi-detached family home should be. Created firmly with modern families in mind, the Lambeth makes sure there's space for everyone. Downstairs has a generous living room, a handy WC and plenty of built-in storage. The real focal point of the home is the kitchen/diner expanding across the width of the house. The stylish kitchen, complete with breakfast bar, has plenty of space for everyone to get involved in mealtimes. And the dining area, with French doors opening onto the garden, makes eating together a pleasure. Upstairs, the attention to detail continues. There are four bedrooms, with the master bedroom having a contemporary designed en-suite shower room. Plus, there's a family bathroom and more built-in storage.
