Standing proudly along Wellington Terrace, this impressive Grade II listed building occupies an enviable position overlooking the Bristol Channel, with uninterrupted coastal views providing a spectacular backdrop. Flat 2 is a rather special two-bedroom apartment arranged over two levels, combining period character with a contemporary finish and beautifully considered living spaces.

Entering through the communal entrance, the apartment opens into a central hall. To the rear is an elegant open-plan living and dining space, where a large sash window perfectly frames the wonderful views across the Channel. The modern fitted kitchen is positioned at the far end, creating a sociable layout ideal for entertaining. To the front is a generous double bedroom with built-in storage, accompanied by a charming bathroom featuring a freestanding roll-top bath. A second double bedroom is located on the lower level, together with its own en-suite shower room, providing an ideal private space for guests or family members.

The property is complemented by attractive communal grounds wrapping around the building, with a limited number of residents' parking spaces to the rear. A gate leads from here to steps descending into the principal communal gardens, where a series of terraces and lawns make the most of the outstanding coastal outlook.

With Hill Road, Clevedon seafront and Ladye Bay all just moments away, the location combines everyday convenience with a wonderful coastal lifestyle. Whether enjoyed as a permanent home, weekend retreat or investment, Flat 2 offers an exceptional opportunity.

“A distinctive period apartment with spectacular coastal views and an enviable Clevedon location.”
