7 Brownhill Road, Stoke-On-Trent ST6 8QY

Whittaker & Biggs are delighted to bring to the market this charming detached bungalow, offering a delightful retreat for those seeking comfort and convenience. With two well-proportioned bedrooms, this property is perfect for small families, couples, or individuals looking for a peaceful living space.

The bungalow features a spacious reception room that invites natural light, creating a warm and welcoming atmosphere. The double-glazed windows throughout ensure a quiet and energy-efficient environment, making it an ideal home for year-round living. The well-appointed bathroom adds to the practicality of the layout, catering to all your daily needs.

One of the standout features of this property is the detached garage, providing ample storage space or the potential for a workshop. The driveway offers convenient off-road parking, a valuable asset in today's busy world.

AML REGULATIONS

We are required by law to conduct anti-money laundering checks on all those buying a property. Whilst we retain responsibility for ensuring checks and any ongoing monitoring are carried out correctly, the initial checks are carried out on our behalf by Movebutler. You will receive a link via email from Movebutler once you have had an offer accepted on a property you wish to buy. The cost of these checks is £30 (incl. VAT) per buyer, which covers the cost of obtaining relevant data and any manual checks and monitoring which might be required. This fee will need to be paid by you in advance, ahead of us issuing a memorandum of sale, directly to Movebutler, and is non-refundable.

Whilst every attempt has been made to ensure the accuracy of the floorplan contained here, measurements of doors, windows, rooms and any other items are approximate and no responsibility is taken for any error, omission or mis-statement. This plan is for illustrative purposes only and should be used as such by any prospective purchaser. The services, systems and appliances shown have not been tested and no guarantee as to their operability or efficiency can be given.
