Purchased approximately eight years ago, the apartment has since been thoughtfully enhanced and meticulously maintained. Most notably, the property benefits from luxurious bathrooms featuring Duravit sanitaryware and Hansgrohe fittings, finished to an exceptional standard and complementing the apartment's elegant and contemporary aesthetic.

The property will also benefit from new replacement windows, forming part of a building-wide programme anticipated in 2026, with the cost already fully settled by the current owner.

A charming east facing window seat provides the perfect spot to enjoy the morning sun.

The principal bedroom suite is a particularly impressive space, benefiting from fitted wardrobes and a beautifully appointed ensuite shower room. Finished with high quality Duravit and Hansgrohe fittings and elegant tiling, the ensuite incorporates a walk-in shower, vanity unit and WC, creating a luxurious feel. The second bedroom is also generously proportioned and is served by an equally impressive main bathroom, featuring a high specification four piece suite and finished to the same exceptional standard.

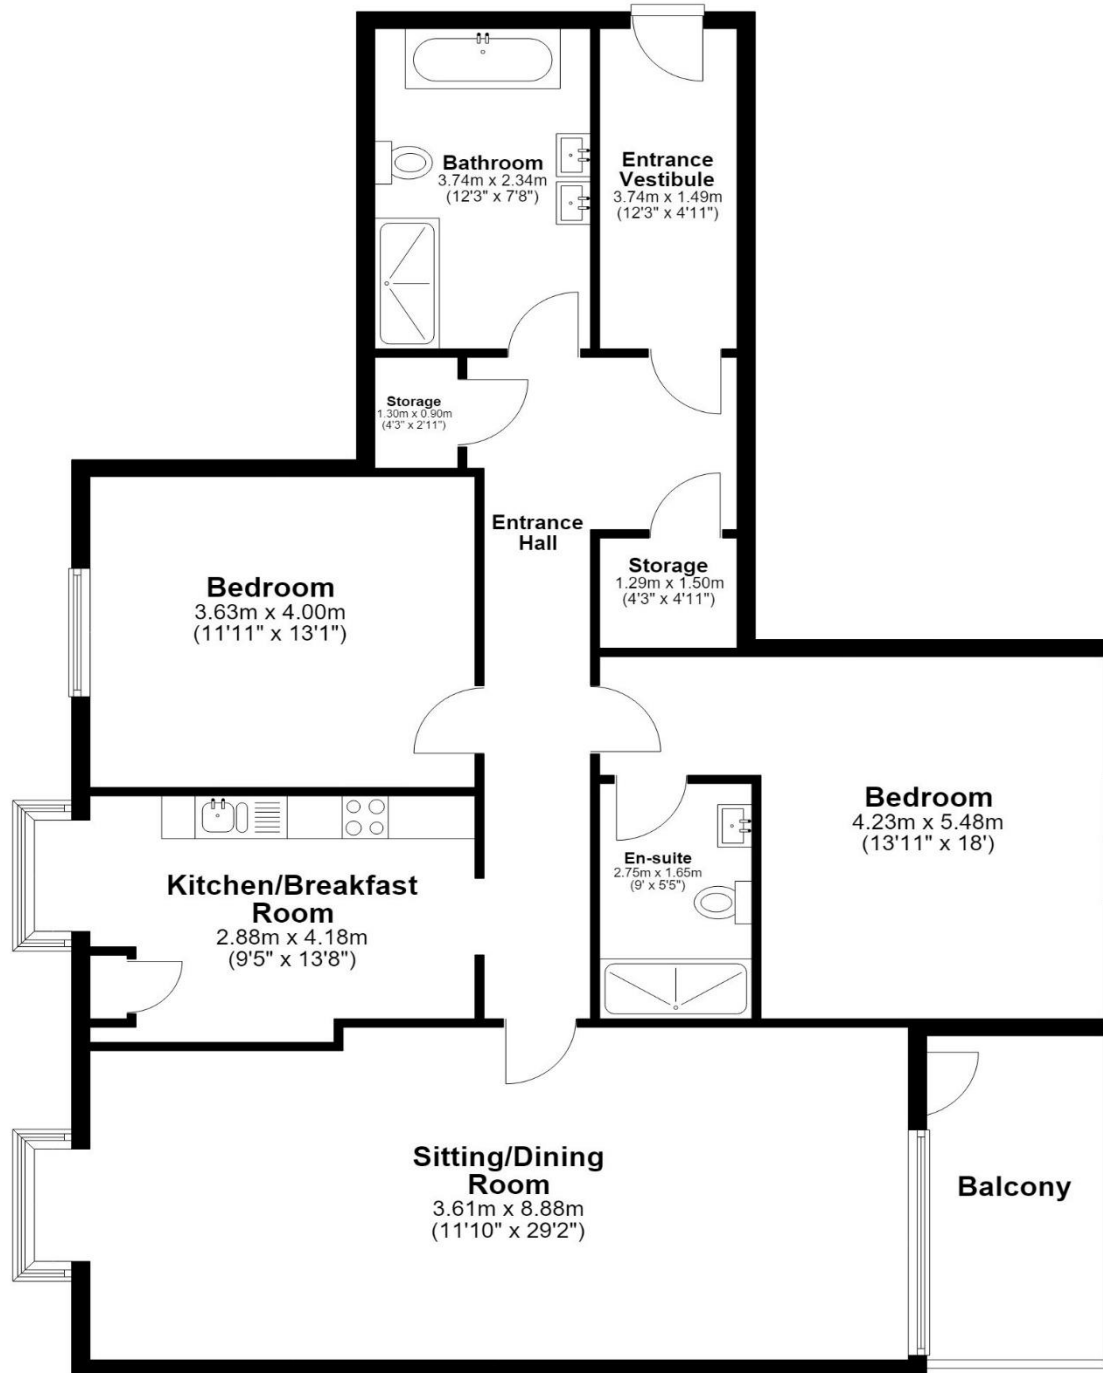

Externally, residents enjoy access to well maintained communal gardens and private residents' parking, together with the significant advantage of a secure underground parking space.
