### Vendors Comments

We've absolutely loved living on Cartmel Road. Set on a quiet road, the house feels calm and private, with spectacular views from the back garden that make it a really special place to unwind. The property is filled with natural light throughout the day, creating a bright and uplifting feel in every room. It's also incredibly warm and energy efficient thanks to the insulation, staying cosy in winter while remaining light and airy all year round. The location has been perfect — close to excellent local schools, handy shops, and just a short walk to Millhouses Park. There are some lovely hidden gem restaurants nearby, and with easy access to the city centre and motorway network, it's ideal for both daily life and commuting. Cartmel Road offers that rare balance — a quiet, scenic setting with stunning views, yet brilliantly connected and convenient. It's been a warm, bright and happy home for us, and we hope the next owners enjoy it just as much as we have.
