Bungalow - Detached

East Croft has been a much loved family home for over 40 years. During that time, the property has been carefully maintained and thoughtfully adapted, resulting in a home that offers both immediate comfort and outstanding future potential. There is a genuine sense of care throughout, with well balanced accommodation that has clearly evolved to suit changing family needs over time.

The layout is particularly appealing. The main residence provides generous and flexible living space, while the connected annexe offers excellent scope for multi-generational living, independent accommodation or even home income, depending on requirements. Importantly, the annexe can be easily adapted to be part of the property or create full separation if desired.

The plot itself is a defining feature. The gardens are mature, private and expansive, creating a peaceful setting that feels tucked away, yet remains highly convenient for access to Cardiff city centre, the M4 corridor and surrounding amenities. The space on offer presents clear opportunities for further extension, reconfiguration or loft conversion, subject to the necessary planning permissions.
