Each of the three bedrooms is a comfortable double, ensuring ample space for family members or guests, with the option to repurpose one as a study, hobby room, or additional reception area as desired. The modern bathroom is finished to a high standard, featuring contemporary fixtures and fittings. Throughout the property, the rooms are well-proportioned and benefit from a pleasant outlook towards the open green expanse of the Telscombe Tye, enhancing the sense of peace and privacy.

A particular feature of the bungalow is the impressive rear garden being 75' in depth and having a modern 30' x 11' composite sun deck with glass balustrades overlooking the lawn. To the far end of the garden is another decked area and a summerhouse.

The overall layout is thoughtfully designed to maximise natural light and flexibility, making this bungalow a rare find in such a well-connected and desirable setting. Neighbouring properties have extended into roof spaces and extended the ground floors to create large family homes and this property offers lots of potential to do the same.
