The kitchen is very well served offering ample storage with fitted shaker units with a light quartz stone worktop above and further breakfast bar island unit and dining area beyond. ### Outside

A long shingle drive to the front set the bungalow well back from Bures Road and in turn provides ample **off road parking** as well as access to the **garage** with up and over door, power and lighting with side access to the rear. The rear garden is one of the properties most attractive features being particularly private with large terrace seating areas creating sociable entertaining spaces that lead off the kitchen dining area with further shaded seating terraces under metal framed gazebos. A diamond formation of paving cuts though the garden surrounded by well stocked colourful borders with central water feature and a range of shrubs, trained fruit trees and established hedgerows and climbers. There is the further benefit of a high quality 'Halls' Greenhouse.

**Secret Garden** - To the back of the garden accessed via a close panel gate is a hidden garden that stretched to circa 250ft that is planted out with a range of fruit trees, soft fruit bushes and vegetable beds with a peaceful seating area to the back. From here you have access to the second **garage** that comes off The Mead with easy access to footpaths.
