DESCRIPTION

Croxton Pool Farm is an appealing detached country cottage occupying a notably generous rural holding and offering an excellent opportunity for those seeking a genuine lifestyle property. The accommodation has considerable character, including exposed ceiling timbers, and provides two bedrooms together with two reception rooms, kitchen and bathroom facilities.

A particular feature is the extent of the outside space, with the property standing within land and gardens extending to approximately 9 acres. Together with two versatile outbuildings, the holding lends itself particularly well to those with equestrian, smallholding or other countryside interests.

SITUATION

The property occupies an attractive rural position close to the village of Hanmer, surrounded by open countryside and enjoying a pleasing degree of space and privacy. The location combines the benefits of country living with reasonable accessibility to the wider range of everyday facilities available in Whitchurch and the surrounding settlements.

THE PROPERTY

The cottage provides comfortable and characterful accommodation arranged over two floors. On the ground floor, the principal sitting room is complemented by a separate snug/dining room, with exposed ceiling timbers adding considerable character. The kitchen is fitted with a range of units and appliances, while the ground-floor accommodation is completed by bathroom facilities.

A staircase rises to the first floor where there are two bedrooms, both benefiting from the character of the cottage and views towards the surrounding countryside. The accommodation extends to approximately 663 sq ft (61.6 sq m) in total

LAND & GARDENS

The property is approached into a private setting with gardens and grounds immediately surrounding the cottage. Beyond, the land extends to approximately 9 acres in all, predominantly comprising grassland and providing an increasingly rare amount of outside space with a smaller rental cottage.

The land offers considerable lifestyle appeal and may be suitable for grazing, equestrian use, a smallholding or simply for those wishing to enjoy a substantial area of their own countryside.

OUTBUILDINGS

There are two useful and versatile outbuildings within the holding, providing valuable ancillary space for storage, livestock, machinery or other countryside uses. Their presence, together with the extent of the land, considerably broadens the appeal and flexibility of the property.

1. Portal Frame comprising 3 loose boxes (approx. 6m x 9.3)
2. Brick-built open-fronted former shippon (approx. 5.65m x 10.75m)
