"Easton is a vibrant, creative and multicultural neighbourhood, beloved for its sense of community; our neighbours are what have made living here so special. The house is bright, airy, and wonderfully expansive, with mostly tall ceilings throughout, and is nestled within a quiet street. The kitchen, which is our favourite place in the house, was designed to invite in the evergreen lushness of the garden, perfectly framed by an oak-framed window seat - making it the perfect spot for a morning coffee. The loft has the most spectacular panoramic views of Bristol; it really is a sight to behold."
