238 Ash Bank Road, Stoke-On-Trent ST2 9EB

Whittaker & Biggs are delighted to offer to the market this impressive detached house that offers the perfect blend of comfort and versatility. With four spacious double bedrooms, this property is ideal for families or those seeking extra space. The layout is thoughtfully designed, featuring three well-appointed reception rooms that provide ample room for relaxation and entertainment.

The property boasts three bathrooms, ensuring convenience for all residents and guests. A standout feature is the study, which could easily serve as a fifth bedroom, thanks to the adjacent shower room. This flexibility allows for various living arrangements to suit your needs.

For those with multiple vehicles, the property includes a large driveway and a double garage, providing parking for up to seven vehicles. This is a rare find in the area, making it perfect for families with several cars or for those who enjoy hosting visitors.

AML REGULATIONS

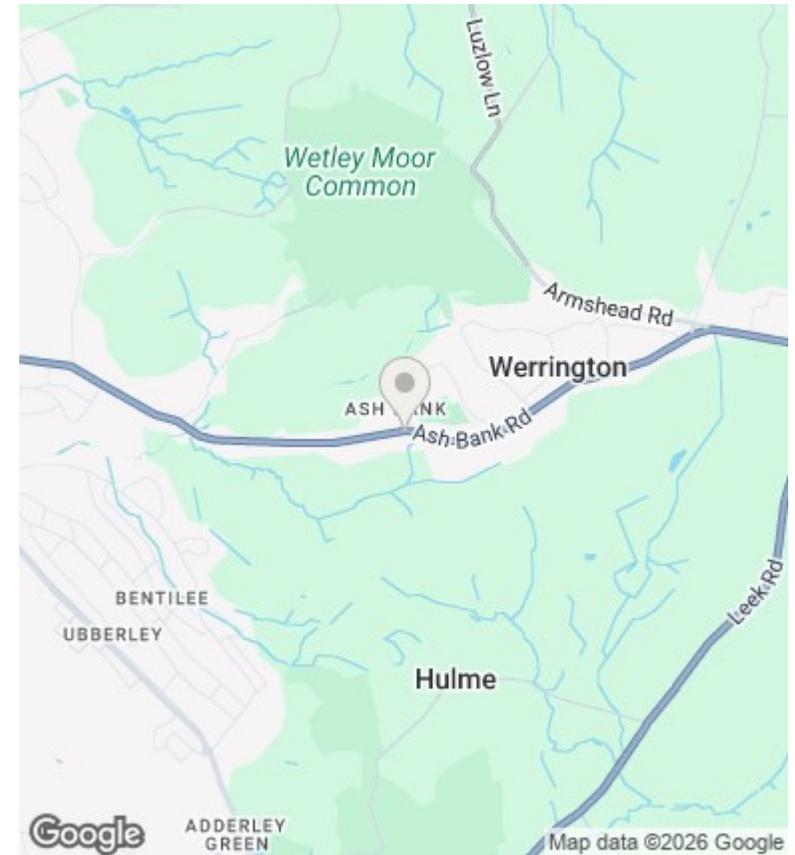

We are required by law to conduct anti-money laundering checks on all those buying a property. Whilst we retain responsibility for ensuring checks and any ongoing monitoring are carried out correctly, the initial checks are carried out on our behalf by Movebutler. You will receive a link via email from Movebutler once you have had an offer accepted on a property you wish to buy. The cost of these checks is £30 (incl. VAT) per buyer, which covers the cost of obtaining relevant data and any manual checks and monitoring which might be required. This fee will need to be paid by you in advance, ahead of us issuing a memorandum of sale, directly to Movebutler, and is non-refundable.

Whilst every attempt has been made to ensure the accuracy of the floorplan contained here, measurements of doors, windows, rooms and any other items are approximate and no responsibility is taken for any error, omission or mis-statement. This plan is for illustrative purposes only and should be used as such by any prospective purchaser. The services, systems and appliances shown have not been tested and no guarantee as to their operability or efficiency can be given.
