PROPERTY DETAILS

Tucked away in a peaceful corner of the highly regarded Elsie Croft development, Number 54 is a beautifully presented two-bedroom end property, enjoying stunning open views to the front, generous wraparound gardens and private off-road parking for two vehicles. Occupying a particularly desirable position at the end of the development, the property benefits from a larger than average garden, providing excellent outdoor space to relax, entertain or simply enjoy the surroundings. The property presents an excellent opportunity for a variety of purchasers looking to take their next step onto or along the property ladder.

Stepping through the front door, a welcoming and spacious entrance hallway creates an immediate sense of space, complemented by a stylish ground floor cloakroom and an enclosed staircase leading to the first floor. Positioned to the front of the property to make the most of the delightful outlook, the contemporary dining kitchen offers a lovely setting for everyday dining, featuring an attractive range of modern fitted units, integrated appliances and a useful understairs storage cupboard. To the rear, the comfortable sitting room provides a peaceful and inviting space in which to unwind, with a window allowing natural light to flood the room and French doors opening directly onto the gardens, creating a wonderful connection between inside and out.

To the first floor, a spacious landing, with hatch to the boarded loft, leads to two well-proportioned bedrooms and the house bathroom. The principal bedroom is a particularly appealing room, enjoying two front-facing windows which perfectly frame the beautiful views beyond. The second bedroom is a comfortable double, overlooking the gardens to the rear, making it equally suited to guests, children or those requiring a home office.

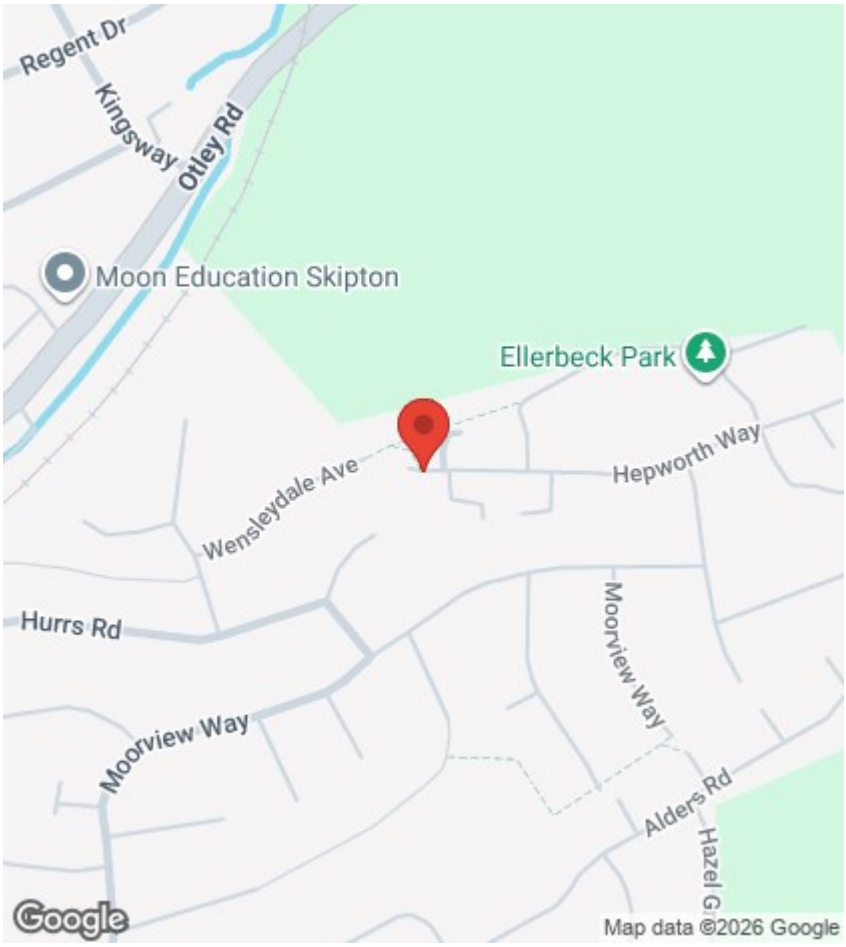

Externally, the property really comes into its own. To the front is private off-road parking for two vehicles, together with an established garden area which adds to the attractive setting. A gated pathway leads around the side to the delightful wraparound gardens, a real advantage of this end position. Predominantly laid to lawn, with attractive stone boundary walling, fencing and a paved patio area, the gardens offer a wonderful degree of versatility, whether for summer entertaining, children's play or simply enjoying a little peace and quiet outdoors.
