19 St. Richards Road

An imposing and substantial Victorian detached house, this distinguished Walmer home blends architectural grandeur with modern versatility. Arranged as a generous five bedroom main residence accompanied by a beautifully integrated two bedroom annexe, it offers exceptional scope for multi generational living, home and income use, or simply an elegant coastal retreat in one of East Kent's most desirable seaside settings. Its scale, flexibility and refined character make it a rare offering in the Walmer market.

Stepping inside via the porch, the property immediately impresses with its grand entrance hall, where high ceilings, generous proportions and subtle retained period features create an atmosphere of timeless sophistication. This sense of space continues throughout the ground floor, where beautifully balanced reception rooms include a formal lounge and an elegant dining room, each ideal for both refined entertaining and relaxed everyday living. A well appointed kitchen sits at the heart of the home, complemented by a snug that lends itself perfectly to modern family life, informal gatherings or a garden facing snug. Beneath the property, a highly practical three room cellar provides exceptional storage and exciting potential for wine storage, hobby rooms or a dedicated workspace.

Upstairs, the main residence offers five well proportioned bedrooms, the fifth currently used as a study. Each room is filled with natural light and enjoying a calm, inviting ambience. Family bathroom facilities and an additional WC serve the level, while the property's impressive scale presents clear potential for a loft conversion (subject to planning). Such an enhancement could further elevate both the accommodation and the already appealing distant sea views that hint at the home's coastal position.

A standout feature of this residence is the fully self contained two bedroom annexe. Designed to offer complete independence, it includes its own kitchen, comfortable lounge, bathroom and a conservatory overlooking its own private garden. This beautifully arranged space is ideal for extended family, long term guests or rental income, adding meaningful versatility without compromising the privacy of either household.

Externally, the property enjoys off road parking for multiple vehicles and a generous rear garden, offering ample room for outdoor dining, play, landscaping or quiet relaxation. The garden's proportions complement the home's scale, creating a peaceful and private environment for everyday enjoyment.

Positioned in the ever popular seaside village of Walmer, this residence offers a lifestyle that blends coastal tranquillity with everyday convenience. With the beach, scenic coastal walks, boutique amenities and excellent transport links all within easy reach, the home delivers a rare combination of elegance, practicality and seaside charm.

Seller Insight

“Set within one of Deal's most convenient residential pockets, the property offers the perfect blend of seaside living, family practicality, and exceptional connectivity, a combination that has made our time here incredibly rewarding. Its position places you within easy reach of the town's best amenities while still enjoying the peace and privacy of a well established residential road.

One of the greatest pleasures of living here is the proximity to the coast. Within minutes, you can be strolling along Deal Seafront, a beautifully maintained stretch of shoreline that has become part of our daily rhythm. Whether it's early morning walks, weekend relaxation, or simply enjoying the fresh sea air, the beach is close enough to feel like an extension of the home. A little further along sits Deal Castle Beach, offering wide shingle shores and panoramic views, a favourite spot for family time, dog walks, and quiet contemplation.

Families will particularly appreciate the excellent choice of schools within walking distance. St Mary's Catholic Primary School sits conveniently on St Richard's Road itself, while Deal Parochial Church of England Primary School and The Downs C of E Primary School are both just moments away in Walmer. For older children, Goodwin Academy is easily accessible on Hamilton Road. Having such a strong cluster of schools so close has been invaluable, making school runs simple and giving children a safe, familiar community to grow up in.

Travel connections are another standout benefit of living here. Deal's rail links are among the best on the Kent coast, offering direct services to London St Pancras International in around 1 hour 25 minutes, making commuting or day trips remarkably straightforward. Routes to London Euston and London Liverpool Street are also available, providing flexibility for work or leisure. For those who prefer to drive, London can typically be reached in under two hours, depending on traffic. Local transport is equally convenient, with regular bus services and easy road access to Canterbury, Sandwich, and Dover.

Travel to Europe is just as effortless. With high speed rail connections from St Pancras and Dover's ferry port a short drive away, continental trips, whether for holidays, business, or spontaneous weekend escapes, are refreshingly simple. This has been one of the unexpected luxuries of living here: the ability to enjoy both coastal tranquillity and international connectivity without compromise.

What truly sets 19 St Richard's Road apart is the lifestyle it offers. You're close enough to the seafront to enjoy its beauty every day, yet perfectly positioned for schools, shops, cafés, and transport. It's a home that supports family life, professional life, and leisure in equal measure, something we've cherished throughout our time here.*
