Windmill Drive is located within the elevated and leafy Westdene district of Brighton, a highly regarded residential area well served by schools catering for all age groups. Preston Park Station, situated in Clermont Road, provides convenient northbound links to London and The City, while everyday shopping facilities can be found in nearby Patcham Village.

Built circa 1964, 103 Windmill Drive is a detached, double-fronted residence offering well-proportioned accommodation and excellent potential for improvement.

The property is entered via a welcoming entrance hall. To the left is the kitchen/breakfast room, while to the opposite side is a bright and spacious lounge with access onto a balcony, both enjoying a pleasant southerly aspect. To the rear of the property are three bedrooms, together with a bathroom and separate WC.

A pull-down ladder provides access to an extensive loft space, offering scope to create additional accommodation if required, subject to the necessary planning consents.

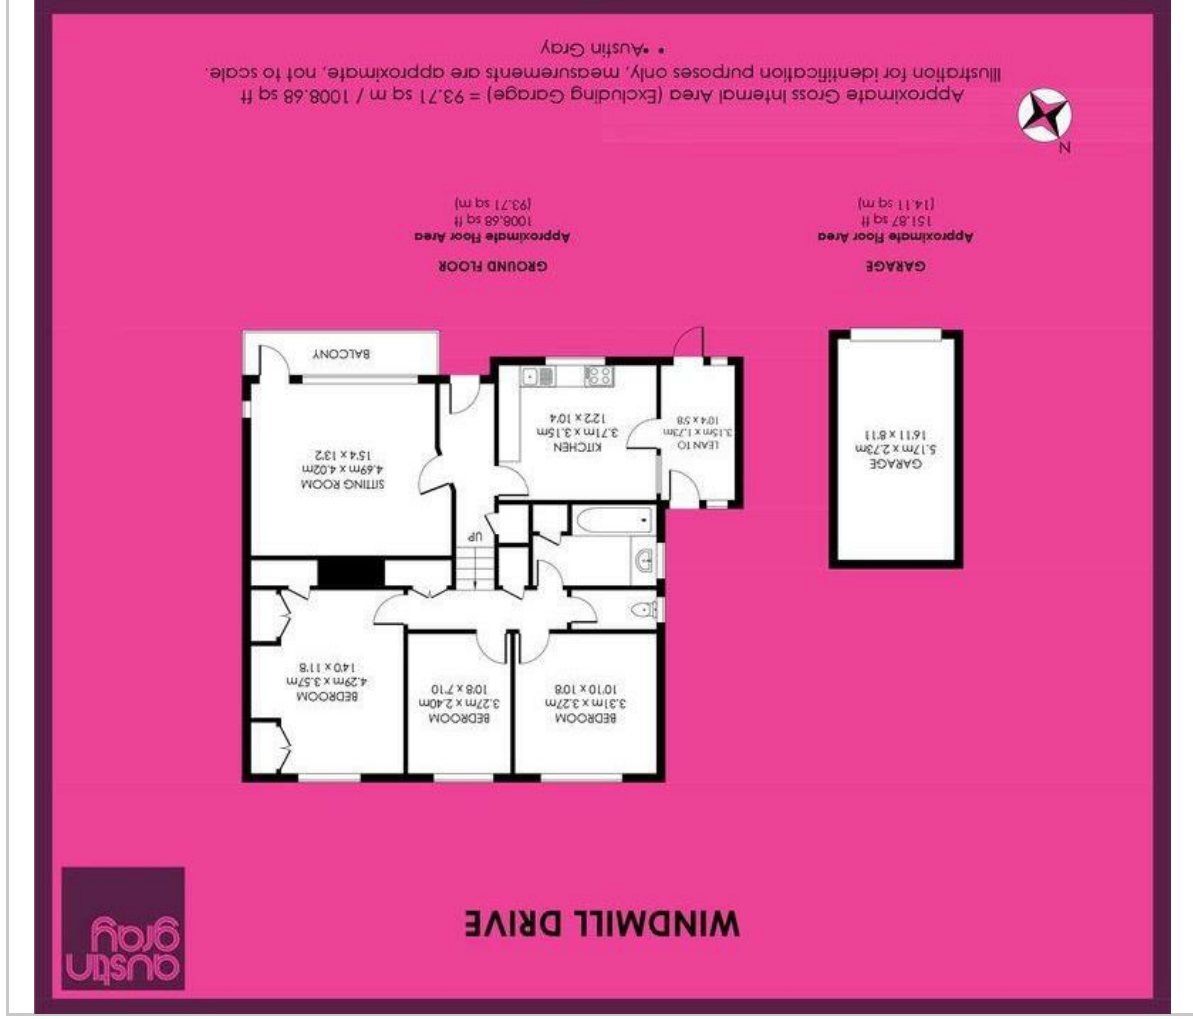

Externally, the property benefits from a private driveway leading to a good-sized single garage. Access is available on both sides leading through to the established rear garden which backs on to Coney Hill.

These particulars, whilst believed to be accurate are set out as a general outline only for guidance and do not constitute any part of an offer or contract. Intending purchasers should not rely on them as statements of representation of fact, but must satisfy themselves by inspection or otherwise as to their accuracy. No person in this firm's employment has the authority to make or give any representation or warranty in respect of the property.
