THE PROPERTY

Detached House & Cottage In Lovely Village Location

A rare opportunity to acquire a substantial period home with a successful holiday let, offering exceptional flexibility for multi-generational living, guest accommodation, or continued income generation.

Set in the peaceful and highly regarded village of Winton, the property enjoys a strong sense of community, with a village green, hall, chapel and the popular Bay Horse pub. Just a short walk or drive away lies Kirkby Stephen, a vibrant market town in the heart of the Eden Valley and on the Coast-to-Coast footpath. The town offers excellent amenities including highly regarded schools, independent shops, cafés, pubs, banking services and a railway station on the scenic Settle–Carlisle line. Road links are superb, with the A66 (3 miles) and the M6 (approximately 12 miles) providing easy access to the wider region.

Winton House is an impressive and characterful period residence that seamlessly blends traditional charm with modern family living. The ground floor is arranged around a beautifully appointed farmhouse kitchen with built-in pantry, complemented by a formal dining room, two generous reception rooms and a cosy snug. A utility room and cloakroom complete the accommodation at this level.

The lower ground floor retains a traditional stone-shelved cellar, ideal for storage.

To the first floor are four substantial double bedrooms (with potential for a fifth), a family bathroom and a separate shower room, offering excellent flexibility for family life.

Outside, Winton House sits behind a private walled and gated garden, featuring attractive seating areas, a timber summer house with decking and access to generous off-road parking for multiple vehicles.

Dairy Cottage, positioned adjacent to the main house, has been successfully operated as a holiday let for the past five years and provides a superb independent living space with its own entrance and outdoor area. The ground floor includes a utility room, well-equipped kitchen/dining space and a charming reading nook, along with a double bedroom and en-suite bathroom. Upstairs, a cosy sitting room with gas stove creates a welcoming retreat, alongside a second double bedroom with en-suite shower room. Externally, the cottage enjoys a low-maintenance patio garden and off-road parking for two vehicles.

The property further benefits from a large workshop/garage, offering excellent storage or workspace potential, as well as an additional 0.58 acres available to rent.

Together, Winton House and Dairy Cottage present a compelling and versatile lifestyle opportunity—ideal for those seeking a spacious family home with room for extended family or guests, or a beautifully balanced home-and-income proposition in a highly desirable village setting.
