Trafalgar Square, Scarborough

DESCRIPTION

Positioned in the heart of Scarborough, overlooking the town's iconic Cricket Ground, this substantial former guesthouse on Trafalgar Square presents an ideal investment opportunity with significant scope for renovation and improvement. The property offers excellent potential to be reconfigured into an impressive six-bedroom family residence or, subject to the necessary consents, converted into a development of four one-bedroom apartments, making it well suited to investors and developers alike.

Offered to the market with no onward chain, this centrally located mid-terrace property provides a blank canvas for those looking to renovate and add value. The generous scale of accommodation, combined with the attractive outlook over the Cricket Ground, highlights the property's strong redevelopment potential, which can only be fully appreciated through internal inspection. The property further benefits from low-maintenance front and rear gardens.

The property is conveniently situated close to a wide range of local amenities, including supermarkets, independent shops, cafés and restaurants. Scarborough town centre is within easy reach, along with Peasholm Park and the popular North Bay beach.

Opportunities of this nature, offering both renovation potential and investment appeal in such a prominent and sought-after location, are rarely available and early viewing is strongly recommended.
