We are delighted to offer to the market this three-bedroom dormer bungalow, situated in the highly sought-after village of West Ayton. Set in a generous plot with a large garden that extends down to the River Derwent, the property offers a rare opportunity to create a substantial family home in a peaceful, picturesque location.

The accommodation briefly comprises a ground-floor entrance leading to a lounge, kitchen/diner with utility, along with a bedroom and a family bathroom. To the first floor is 2 further bedrooms, providing versatile accommodation suitable for families or those seeking additional space.

Whilst the property requires a full programme of modernisation throughout, we feel it offers enormous potential to extend, reconfigure, or refurbish to create a bespoke home tailored to individual tastes. The extensive gardens, with direct access to the river, provide a superb outdoor space with plenty of scope for landscaping, leisure, or entertaining and subject to the relevant planning, there is scope for extending the property.

Offered for sale with no onward chain, in our opinion this property represents an excellent opportunity for buyers looking to secure a home in a desirable village location with huge potential. Early viewing is highly recommended to appreciate the possibilities on offer.
