**Property Description**  
BEST AND FINAL OFFERS END DATE 05/11/2025 AT 12 NOON. The property is approached via a hardstanding driveway offering off-road parking for multiple vehicles. The front garden, lined with mature shrubbery, could easily be landscaped to create a welcoming and attractive approach while maintaining a sense of privacy.

Stepping inside, a quarry-tiled entrance porch provides a practical space for coats and muddy boots before leading into the main hallway. Here, you'll find a handy under-stair WC, believed to operate via a macerating system, and doors leading to the principal ground floor rooms.

To the front of the home, a versatile second reception room offers potential use as a snug, study, or home office, while the spacious family lounge to the rear presents an inviting living area with an inset fireplace framed by a stone surround and pleasant views over the rear garden.

The kitchen is well-proportioned and ready for modernisation — the perfect blank canvas for designing your dream culinary space. Adjoining the kitchen is a generous dining room or third reception area, which could be reconfigured to create a large open-plan kitchen-diner (subject to the relevant permissions). A side door from the kitchen provides access to a covered walkway and the former brick store rooms, now opened and suitable for housing washing and drying appliances.

The rear garden, while in need of some landscaping, offers a wealth of potential. Enclosed by timber fencing and mature trees, it enjoys a high degree of privacy and could be transformed into a wonderful outdoor retreat for relaxation and entertaining.

Upstairs, the first-floor landing is bathed in natural light and offers access to four well-proportioned bedrooms, each capable of accommodating freestanding furniture. Three bedrooms overlook the rear aspect while one faces the front. A part-tiled family bathroom includes a large airing cupboard housing the hot water tank, complemented by a separate WC. Loft access is also available from the landing.

Completing the accommodation is a large single garage, ideal for use as a workshop or additional storage space. For motoring enthusiasts, the garage features a pit — a rare and practical bonus for vehicle maintenance.

With spacious proportions, a prime location, and endless scope to renovate, Derrie Avenue presents an exceptional opportunity for buyers seeking a project to create a bespoke family home.
