#### Interior

This lovely home is both welcoming and relaxing with a contemporary finish but cottage feel. Decorated in soft neutral tones and with stylish and thoughtful touches such as LVT flooring in natural oak throughout the reception areas, a warm roof in the sun roof and bespoke shutters.

The hallway has an array of built in floor to ceiling storage cupboards, very convenient and useful, and leads to all three bedrooms and the family bathroom. There are two double bedrooms, one with a panelled wall, and a modern fully tiled family bathroom that has a bath with overhead shower, vanity unit and wc. The spacious principal bedroom has an ensuite shower room that has a large tiled walk in shower, vanity unit with basin and wc.

The open plan living area has been wonderfully designed with a versatile sun room with further built in storage cupboards. This flexible area could be used as a games room, snug or large office space that leads off the main sitting room. The focal point is a Charnwood log burner upon a slate hearth and built in cupboards and shelving either side, a great relaxing space. The rear of the house has a wall of tri-fold doors that open to the garden and allows light to flood into this spacious dining area and kitchen. There is a large assortment of cupboards and drawers in a light sage green colour that curve around this very well appointed kitchen that has a light coloured work surface with upstands flowing above and forming a breakfast bar at one end. Within the units are a double Belfast sink, water filter attached to the sink, integrated bin drawer, dishwasher, 4 zone hob, microwave oven, grill, oven and American fridge freezer. The appliance cupboard is a cleverly concealed area with electric points within. Off this area is a utility room with further storage, space/plumbing for a washing machine and tumble dryer and a convenient separate WC.

#### Exterior

A smart looking bungalow with a wide block paved driveway that can park around 6 vehicles. There are mature plants and shrubs around the borders and a long storage outbuilding ideal for paddle boards and lengthier items. There is a side entrance to the rear garden which is full of unexpected delights.

This quiet and completely secluded south facing space has been landscaped with an outdoor kitchen that includes a sink, pizza oven, bbq and storage/prep area.

The kitchen is nestled to one end of a covered al fresco eating area, giving Tuscan style vibes with space for a large table and chairs, festoon lighting, olive trees and sandstone flooring.

This pretty garden has raised planters, a grape vine and garden store along with a wooden sauna room with refreshing outside shower.

#### Cowes

Cowes is rich in nautical heritage and an international mecca for sailing, culminating in Cowes Week held in August each year. It has quick access to Southampton via the more modern Red Jet as well as many marinas and sailing clubs dotted along the waterfront.
