WHAT'S GREAT?

Situated in the ever-popular village of Welford, this outstanding period home is beautifully presented and steeped in local heritage. Once a cherished village inn, the property has been thoughtfully and sympathetically restored to create a truly distinctive family home.

The welcoming entrance hall opens into a charming dining room, a wonderful piece of the home's past remains here- the original pub piano, included with the property. Adjacent, the spacious living room offers a refined yet cosy atmosphere, featuring an open fireplace and the original skittle panel- a characterful reminder of the building's former life.

To the rear, a versatile reception room provide superb flexibility, ideal as a playroom, home office or additional sitting room. At the heart of the home lies the beautifully crafted Shaker-style kitchen, thoughtfully designed and overlooking the tranquil rear garden.

Practical touches include a boot room, utility cupboard, a downstairs cloakroom and convenient side access from the additional driveway.

Upstairs three well-proportioned bedrooms enjoy picturesque views across the village green.

The newly fitted luxury family bathroom has been finished to an exceptional standard, featuring double vanity basins, brass fixtures and fittings, stunning freestanding and a generous walk-in shower with brass-edged glass screen and Victorian-style tiled flooring completes the space.

The exterior is equally impressive. The generous rear garden offers both privacy and a sense of grandeur. Equipped with electricity and water supply, including a charming summer house- ideal as a home office. An outdoor entertaining area features cooking facilities and pergola, alongside a vegetable plot and open views across surrounding paddocks and countryside, creating a peaceful, idyllic setting.

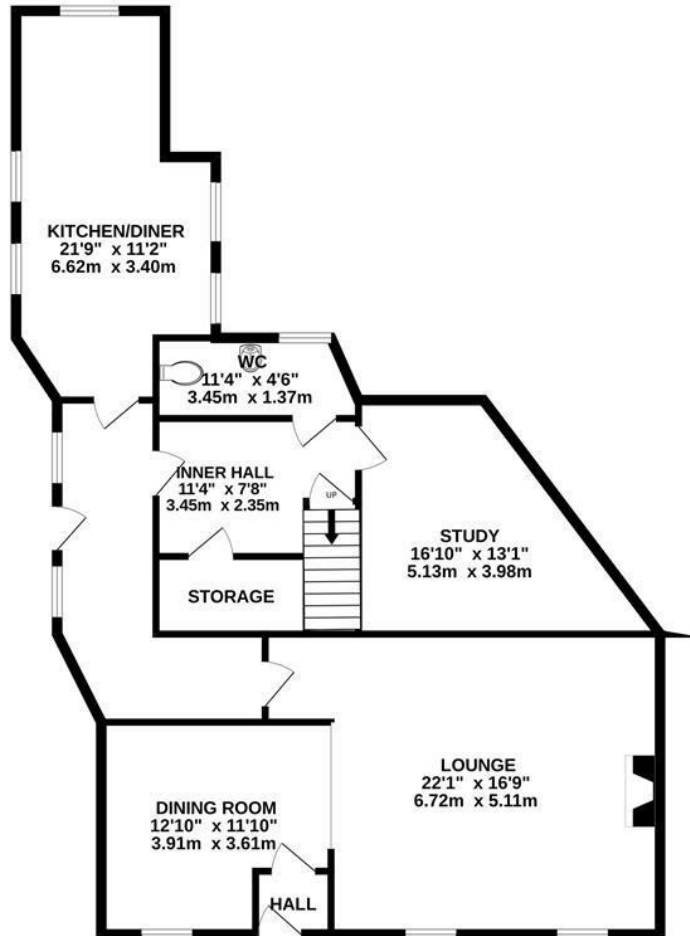

The two-car driveway provides electric vehicle charging points, complemented by an additional gated driveway for further parking.

No onwards chain and viewings are advised.
