The Covent Garden Estate is a globally recognised destination situated in London's West End, within striking distance of Soho, Oxford Street and South Bank. Although in the heart of this vibrant part of central London, the Estate is pedestrianised for 20 hours a day, making it a clean, safe and inviting environment in which to live. Actively managed to a world class standard, all buildings on the Estate are maintained to the highest standard, both internally and externally, with particular care and attention given to the public realm and greening. This is all supported by an onsite team of cleaners, gardeners and 24 hour a day security, while the Estate facilities and property management teams are also based on site.

People Make Places

London is collection of inspiring urban villages and one of the most exciting places in the world to live, work & play.

We work with both property owners and their occupiers, sharing the story of these vibrant neighbourhoods, conveying the unique soul & energy to future custodians, the people who'll keep them buzzing.

And unlike many real estate businesses we're not just about buildings, because streets & buildings don't make a neighbourhood.

We're about building relationships, because **people make places**.
