Built by Robertson Homes to their Cortona Garden Room specification, the property showcases stylish interiors, quality finishes, and beautifully laid herringbone flooring throughout the lounge, kitchen, and garden room. A bright and welcoming entrance hall leads into the stunning open plan kitchen, dining area and garden room, an impressive space designed for both everyday living and entertaining. Extensive glazing and French doors flood the room with natural light and provide direct access to the rear garden. The modern kitchen offers an excellent range of base and wall units, providing generous storage throughout and is equipped with high quality integrated appliances including an induction hob, double oven, fridge/freezer and dishwasher. It also features a well positioned breakfast bar for casual dining, alongside ample space for a full dining table and chairs, making it ideal for both everyday living and entertaining. A large built in storage cupboard enhances the practicality of the space even further.

A separate utility room provides additional workspace with plumbing for a washing machine and space for a tumble dryer. The WC is conveniently located directly beside the utility, offering easy access without interrupting the flow of the main living areas.

Completing the ground floor is a spacious front facing lounge, finished with the same elegant herringbone flooring for a seamless feel throughout.

Upstairs, the home offers four generous bedrooms. Two benefits from contemporary ensuite shower rooms, and one includes fitted wardrobes. The family bathroom is well appointed with a shower over the bath.

The property benefits from gas central heating and double glazing, an attractive lock block driveway providing parking for two cars, complemented by an integral garage for additional convenience.

The garden includes a well-designed patio area, ideal for outdoor dining and relaxation, complemented by a neatly maintained lawn, along with stone walling and timber fencing that together create a secure and stylish outdoor setting.
