No Chain. Excellent Potential. Set along a well known residential stretch within Cathays, this bay fronted mid terrace house presents an exciting opportunity for those seeking a renovation project in a highly convenient Cardiff location. The house retains a number of traditional details including fireplaces and original tiled flooring, offering a strong foundation for refurbishment while allowing buyers to reimagine the layout and finishes to suit their own style.

The accommodation unfolds with two reception rooms and a separate kitchen to the ground floor, while three bedrooms and a bathroom sit above. Natural light filters through bay windows to the front and garden facing rooms to the rear, and the paved garden with rear lane access adds practical outdoor space rarely found in properties of this type.

Cathays remains one of Cardiff's most established inner city neighbourhoods, positioned within easy reach of the city centre, Cardiff University and the vibrant cafés and independent shops of nearby Crwys Road and Albany Road. Roath Park and the wider green spaces of north Cardiff are also close by, offering a welcome balance between urban living and open space. Regular bus routes connect directly into the city and surrounding districts, while Cardiff Central and Queen Street stations provide rail links across South Wales and beyond. A range of local schools, everyday amenities and leisure facilities ensure the area continues to appeal to both owner occupiers and investors looking for long term potential.
