INTERNAL - Stepping inside, the welcoming reception hall immediately conveys the quality and scale of the property. The impressive 28ft dual-aspect sitting room is a superb space for both entertaining and relaxation. Adjacent to the sitting room is the elegant dining/family room, a wonderfully versatile space perfectly suited to modern family living. Generous proportions allow ample room for formal dining as well as a comfortable seating area, while the striking bow-shaped windows create a stunning architectural feature, framing the garden views and bathing the room in natural light. French doors open directly onto the terrace, seamlessly connecting the indoor and outdoor spaces. The well-appointed kitchen/breakfast room is both stylish and practical, fitted with an extensive range of units and integrated appliances, together with space for an American-style fridge/freezer. A breakfast bar provides the ideal spot for informal dining, morning coffee or social gatherings, all while enjoying views across the gardens. Discreetly positioned within a plot approaching half an acre, the property has been thoughtfully orientated to maximize both its south-facing side gardens and glorious west-facing rear aspect. The gardens are undoubtedly one of Harrow House's most enchanting features. Beautifully landscaped and lovingly cultivated over the years, they evoke the charm and character of a quintessential English country garden. Sweeping lawns are interspersed with an abundance of mature shrubs, specimen trees and colourful flower borders, creating year-round interest, privacy and a wonderful sense of tranquility. Meandering pathways invite exploration through the grounds, where a charming rose-covered arch leads into a delightful wildflower garden centered around a picturesque pond, attracting an array of birds and wildlife. Beyond lies a productive vegetable garden complete with greenhouse and garden shed, perfect for those with a passion for gardening and homegrown produce. A variety of patio and seating areas have been carefully positioned throughout the gardens. A recent addition is the stunning curved staircase which rises elegantly to an elevated sun terrace. Commanding breathtaking views across the gardens and the rolling countryside beyond.
