INTRODUCTION

Woodside Cottage is an attractive four-bedroom semi-detached cottage occupying an excellent rural position with far-reaching views over the surrounding countryside. Set within approximately 2.83 acres, the property is particularly appealing to those with equestrian or lifestyle interests, with a horse arena, stabling, versatile outbuildings, land and holiday lodge.

The accommodation is approached through traditional timber double entrance doors into a useful entrance porch. The kitchen is fitted with farmhouse-style units incorporating a belling cooker, butler sink, plate rack and butcher's block, together with exposed beams, with ample of space for a dining room table. Adjoining the kitchen is a utility room, W.C and wash basin, together with a home office and access to the rear garden.

The sitting room is full of character with oak flooring, exposed beams and a multi-fuel stove with an impressive brick built surround. This leads through to a generous conservatory, with double doors opening onto the rear garden and enjoying views over the surrounding countryside.

To the first floor, the principal bedroom is a generous dual-aspect double bedroom enjoying countryside views, with a dressing room and en-suite shower room. There are three further bedrooms, two of which are doubles, together with the family bathroom.

Externally, the property is approached through double gates onto a generous gravelled driveway providing ample off-road parking.

The gardens and grounds include a pond, established borders, a variety of fruit trees, together with a pergola which provides an excellent outdoor seating and entertaining area from which to enjoy the open countryside. There is also a wildlife area with established woodland, a further pond and millennium orchard.

The property is particularly well equipped for equestrian use, with an all-weather horse arena, three stables, tack Room and feed store and hay barn. Further outbuildings include a container/workshop and car port with water and electricity, together with a polytunnel, timber-framed stores and chicken run.

Within the grounds is a detached timber log cabin with planning permission for use as holiday accommodation under Planning Reference ZB24/01062/FUL. The cabin is currently unfinished internally, allowing an incoming purchaser to complete it to their own specification. It is arranged to provide an open-plan kitchen/dining/living area, two bedrooms and a bathroom, together with its own enclosed garden.

A separate grass paddock extending to approximately 1.70 acres forms part of the overall 2.83 acres. The land is situated adjacent to Woodside Cottage with roadside frontage, and is ideally suited to grazing or equestrian use.
