Pilgrims Hatch, Brentwood

This property is available for the first time in over 90 years and represents an exciting opportunity for the incoming purchaser to modernise or redevelop. Sitting on an impressive plot of approximately 1.7 acres.

Originally built in the 1930s with later additions, the house features a large carriage driveway and comprises two reception rooms, a kitchen/breakfast room, utility room, downstairs wc, four bedrooms, and a family bathroom.

Prospective buyers have several options available to them. It presents an ideal opportunity for an end user wanting to build their own house or alternatively remodel and extend the existing dwelling. Additionally, it would appeal to those seeking multi-generational living, given the size of the plot.

In terms of previous planning history, there was a refusal of planning permission last year for the demolition of the existing dwelling and outbuilding to construct three new residential dwellings. However, there have been indications suggesting that approval for two replacement dwellings could be possible.

Such opportunities are rare in the market and this is one not to be missed!
