INTRODUCING

WARWICK ROAD

£790,000

A thoughtfully extended period semi-detached house, set within a sought-after address near Cintra Park.

The house has been carefully upgraded to retain and enhance its original character including Herringbone timber flooring which runs throughout the ground floor. The front living room retains a fireplace and decorative cornicing, mirrored by a second reception room also centred around a fireplace.

To the rear, a 25ft kitchen, dining and living space forms the focal point of the plan. Defined by black-framed Crittall glazing, the room opens directly onto the garden. Two roof lanterns draw in natural light from above, illuminating a well-considered kitchen complete with composite work surfaces and underfloor heating.

A WC and boot room complete the ground floor, providing practical access to both the front and rear gardens.

Upstairs, three bedrooms are arranged across the first floor alongside a modern bathroom. A further bedroom occupies the top floor, served by an additional shower room.

The rear garden is approximately 120ft long with a paved terrace leading onto a planted garden. A timber outbuilding offers flexible use as a studio, workspace or hobby room.

The house is well placed for a number of highly regarded independent schools, with local amenities, the university campus, hospital and business parks all within easy reach. Transport connections are strong, with nearby bus routes and convenient access to the M4

THE OWNER'S STORY

We have spent a very happy 22 years in Warwick Road and have a deep affection for the house and for the small community in Warwick Road and Cintra Avenue.

There is a very active community where neighbours stay for many years and look out for each other and get together for street carols at Christmas and summer street parties.

We enjoyed walking our children to school every day and enjoying the green spaces including the University campus which is excellent for dog-walking.
