RARELY AVAILABLE – BEAUTIFUL DETACHED BARN CONVERSION – SINGLE-STOREY LIVING – 49-FOOT OPEN-PLAN LIVING SPACE – PRIVATE GARDEN & HOME OFFICE – PARKING FOR TWO – NO FORWARD CHAIN

Located in the highly sought-after and picturesque village of Barton Stacey, I am delighted to present The Barn, a truly unique and characterful detached single-storey home offering a wonderful combination of traditional charm and modern construction.

Originally designed externally to retain the appearance and character of an agricultural building, the property has an interesting history, having historically been used as stables associated with the nearby old farmhouse. During redevelopment, the original walls were demolished and replaced with modern cavity construction and insulation, ensuring the character of the building is complemented by the benefits of modern-day living.
