A unique ground floor studio set within an attractive converted warehouse with striking white facade.

Being the only studio, it benefits from the lowest service charge in the development (calculated by floor area). Extending to approximately **34 sqm (365 sq ft)**, the property offers impressive 10 ft double-height ceilings and French doors leading to a private balcony, creating a bright and spacious feel, rarely found in studio apartments.

The redecorated apartment includes a main living/bedroom, separate good-size kitchen (including dishwasher) with newly upgraded fittings, re-sprayed contemporary cupboards, brand new worktops (never been used) and a modern updated bathroom. The apartment has not been used since refurbishment.

Positioned on a safe and quiet cul-de-sac just 3-4 minutes from Southgate Underground Station (Piccadilly Line), providing direct access into Central London in approximately 45 minutes. Situated 1 minute from two health clubs, with M&S foodhall at the top of the road. Moments from the high street with its restaurants and supermarkets, there's also lots of parks, and excellent connections to the M25.

Offered chain free with a long lease, this is an exceptional first-time purchase or investment opportunity in a highly convenient N14 location.
