33 Apple Tree Close, Tiverton EX16 8AR

A spacious two-bedroom detached bungalow with countryside views, potential for a third bedroom, solar panels, garage and gardens. Offered with no onward chain.

Council Tax Band: C

Occupying an excellent position at the end of a small close, this spacious detached bungalow enjoys stunning, open countryside views.

Currently arranged with two bedrooms, the generous accommodation offers plenty of flexibility, with potential to create a third bedroom if required.

The property is approached over a driveway providing parking and access to the garage. The front door opens into a light and spacious living room, with a certified log burner and patio doors leading into the conservatory, which enjoys an attractive outlook towards the surrounding countryside.

The kitchen is fitted with a modern range of units, while an inner hallway leads to the bedrooms and main bathroom. Bedroom two is a good-sized room with built-in cupboards and views across the adjoining fields.

A particular feature is the exceptionally large main bedroom, measuring approximately 5.72m x 5.17m. It has a built-in cupboard, en-suite shower room and overlooks the private front garden. Its generous proportions also provide potential to divide the room to create an additional bedroom, subject to any necessary works and consents.

Outside, the private front garden is laid mainly to lawn and includes a summer house, providing useful additional space with potential for use as a home

office or hobby room.

The garage has been sectioned internally and has access from both the front and rear.

Solar panels contribute towards the property's electricity requirements and provide a return for electricity supplied to the National Grid.

Witheridge offers a good range of everyday amenities including a convenience store, doctors' surgery, public houses and primary school, and is within the catchment for Chulmleigh Community College.

Offered with no onward chain, the bungalow is ready to move into while providing scope for a new owner to update and personalise over time.
