Services

Mains water and electricity.

Private drainage to a communal and modern system which serves this development.

Electric, direct electric panel heaters partially fed by the solar panels on the roof.

Hot water is provided via an electric immersion heater in a 150ltr cylinder located in the attic. The system is equipped with a 'Solic 200' solar controller, that will divert any spare electric energy to heat the water. A 'boost' button can be activated when in heavy use. (the shower on the ground floor is direct electric and provides hot water independent of the cylinder.

The 'Solic' controller is located in the electrical cupboard in the utility room)

Energy and Further Information

Photovoltaic (PV) generate electricity in daylight hours. They are mounted on the roof of the property.

The home can use electricity generated by the PV panels immediately, reducing the total electricity bill, and any spare electricity generated will be diverted to the immersion heater in the hot water storage tank. Further reducing running costs and Co2 production reducing greenhouse gas emissions.

Ventilation has been provided by mechanical extractor fans in the shower rooms, bathrooms and kitchens.

Kitchen, lounge, landing and interface are also fitted with a sprinkler system.

Use

The planning consent granted is for holiday use only and the property cannot be a main residence. There is unrestricted 12 month occupation as such.

Tenure

The property is understood to be Freehold.

Annual charges to cover the communal areas to include the access road and drainage £630 (2025).

Council Tax

Band C Ynys Mon

The property only attracts a single council tax due to the planning agreement.

Currently a successful holiday let, and therefore benefitting from Small Business Tax Relief, and therefore paying no council tax.

The second home high rate council tax does NOT apply to this property.

Contents

This modern and immaculate property is currently run as a successful holiday let, but would make a

wonderful family holiday home. All contents are included in the asking price. Which would make taking it over a breeze!

The Isle of Anglesey -Ynys Mon

This island is well known for it's beautiful beaches. None more so than Newborough Forest, with it's miles of evergreens leading to the long sandy beach with views of the Rivals. And it's very special little island Llanddwyn, steeped in myths and history. Or visit the maritime village of Moelfre, a few miles away and find out about the tragedy and bravery of the Royal Charter ship wreck. Visit the many restaurants, cafes and bars in the area. Stroll along the castle walls of Beaumaris, or take a thrill rib-ride on the Menai Strait.

There's always something to do on Anglesey.
