An extended three bedroom detached house with a good sized rear garden, situated in a popular residential area off King George V Avenue within close proximity to excellent local facilities.

The property was built in the 1950s and has been owned by our clients for 20 years who commissioned a separate detached single garage to the rear of the property and a rear extension on the ground floor creating a superb and spacious open plan living/dining/kitchen, utility room and downstairs WC – all benefiting from underfloor heating.

The living accommodation with gas central heating and UPVC double glazing comprises an entrance hall, bay fronted lounge, open plan living/dining/kitchen with bi-folding doors, utility room and a downstairs WC. The first floor landing leads to three bedrooms and a modern family bathroom with a bath and separate shower.

The property is offered to the market with the benefit of no upward chain and viewing is highly recommended.

OUTSIDE

The property stands back behind a walled frontage with mature laurel bushes to the front and on both sides. There is a raised front garden area with sleepers, plants and shrubs and a block paved driveway. There are double gates to the side of the house leading to a wide block paved pathway and gravel borders leading round to the rear garden. To the rear of the property, there is a large decked patio with raised planters and block paved area to the side. The aforementioned detached single garage has been converted into a garden room equipped with power and light and with French opening doors. There is a feature pond at the end of the decked patio with a path over leading to a lawn. Beyond here, at the end of the garden there is a timber path and sheltered garden area.
