There is either one or two bedrooms on the ground floor to suit, the larger of which has a feature 'porthole' window and ample fitted storage, served by a separate ground floor bathroom with bath & shower enclosure. A fitted kitchen/breakfast room, with eye-level double oven, enjoys views over the garden and allows space for a small table and chairs. Adjacent, a generous utility room provides space for white goods and incorporates a guest toilet along with internal door to garage.

The principal bedroom is located on the first-floor and has an imposing vaulted ceiling with dormer & Velux style windows providing ample natural light. This is complimented by several storage cupboards, and an en-suite shower room.

The garden has been beautifully maintained with a selection of flower beds, shrubs and raised patio area leading down shallow steps to the lawn. Side access leads to the front garden which is mainly laid to lawn with hedgerow boundaries and a sweeping brick paviour driveway providing level access to an integral single garage.
