This well-presented three-bedroom mid-terrace home on Longhouse, Grays, is the perfect mix of modern style and practical living — a place you'll love coming home to.

Step through the welcoming porch into a bright hallway where the stairs immediately catch the eye. A striking lighting feature runs up the staircase — yes, it's as cool as it sounds — and there's handy storage tucked neatly underneath to hide all those “essential clutter” moments.

To the left, the main lounge is generous, comfortable, and totally versatile. Whether it's cosy Netflix nights, family chill-outs, or entertaining friends, there's plenty of space to stretch out and make it your own. (Bonus: it looks great in Instagram snaps).

At the end of the hallway, the modern kitchen awaits — sleek, stylish, and seriously practical. A breakfast bar is perfect for quick coffees or weekend brunches, and the integrated dishwasher means fewer dishes, more fun. Off the kitchen, a separate utility room boasts a massive pantry cupboard — basically storage heaven — keeping everything tidy and within easy reach.

From the utility, step out into a low-maintenance garden that's both easy on upkeep and full of charm. A working fish pond adds a tranquil, Instagram-worthy feature, and at the far end, a garage gives you secure storage — or a spot to park the car if you're feeling fancy.

Upstairs, you'll find three well-proportioned bedrooms. The main bedroom is a relaxing double, while the second bedroom comes with built-in wardrobes for extra storage points. The third bedroom may be smaller, but it's wonderfully square — ideal for a home office, nursery, or guest room (your call!).

The family bathroom is modern, stylish, and comes with a heated towel rail — because who doesn't love a warm towel after a shower?

Additional perks include a smart meter, a combi boiler, and a full rewire with new electrics — all the little things that make life easier and give you peace of mind.

In short, this home is thoughtfully updated, beautifully maintained, and ready for its next lucky owner. Modern convenience, practical living, and a touch of style — it really does have it all.
