Description

Entering the property a bright hallway has an oak staircase rising to the first-floor level and access into all ground floor rooms. At the front of the property you have two spacious bedrooms, one of which is being used as a study by the current Vendors. Viewers will note that the property has been extended to the rear to create a larger kitchen / diner with French doors which open onto the rear garden. The kitchen is fitted in a modern range of gloss wall and base units with tiled splashbacks. There is space for a Range style cooker, washing machine and tumble dryer, dishwasher and double fronted fridge/freezer. There is also a good-sized, bright living room with feature fireplace as a focal point and finishing the accommodation on this level is a family bathroom with panelled bath with shower over, wash hand basin and w.c.

As previously mentioned, the property has been extended into the loft space to create two further bedrooms both of good size. The master bedroom is a lovely room which has a Juliette balcony with French doors overlooking the rear garden and access to an en-suite shower room with double shower, wash hand basin and w.c.

The rear garden is landscaped and has been well-maintained with neat lawns, a raised koi pond with side viewing panels ** and a lovely, raised decking area with pergola over. A section of the garden has been fenced off and now provides parking for two vehicles; this is accessible via a rear right of way.

** The Vendors have advised that they will be taking the Koi carp with them when they move.
