IF YOU LIVED HERE...

With 524 square feet of internal space, this is a studio that feels thoughtfully arranged and easy to settle into. The open-plan layout creates clear zones for living, dining and sleeping, making the most of the available space and allowing you to shape it to suit your lifestyle.

The kitchen area is semi-contained with sleek and modern, with smart fittings and appliances, while the main area offers a calm, cosy place to unwind at the end of the day, and the in-built storage cupboard will help banish clutter. The bathroom is finished in a contemporary style, with clean lines and practical fittings.

Outside, the vast green space of Roding Valley Park is a short stroll away, while Epping Forest is a similar distance in the other direction. Even closer to home, you'll find all the amenities of George Lane. Despite the peaceful village-esque ambience, this area is packed with shops, supermarkets (Marks & Spencer or Waitrose - take your pick), restaurants and bars, not to mention the Odeon cinema for that big screen experience.

As for getting further afield, South Woodford station is just four minutes on foot. From here the Central line can take you to Liverpool Street in just another 20 minutes.

WHAT ELSE?

- Make the Railway Bell your new local - it's only a short hop away after all, plus it has friendly staff, and a great selection of drinks.
- Mark your calendar for every third Sunday of the month, when the South Woodford farmers market is held. Expect to find high-welfare meat, artisan baked goods and handcrafted arts.
- Fancy unleashing a bit of creativity? Head down to Creative Biscuit for a coffee and dabble at painting pottery. It's an easy walk from your home.
