Vendor's comments...

"We have loved calling 5A Victoria Road home since 2023. Set within the beautiful Forest of Dean, the property is a short stroll from the centre of Coleford. The park and recreation ground at the top of Victoria Road has been a firm family favourite, offering a wonderful space to relax and play.

This has been a truly special home for our family. A place filled with warmth, laughter, and cherished milestones as our children have grown. Every element was thoughtfully designed to suit modern family living, balancing style with practicality. At its heart is a lovely open-plan kitchen, dining and living space spanning the full width of the home. Bi-fold doors open directly onto the garden, creating an effortless indoor-outdoor flow, which has been perfect whilst we have hosted birthdays, summer entertaining and cosy winter celebrations.

The kitchen has been central to daily life, designed as both a functional and sociable space. A generous breakfast bar provides a natural focal point for family and friends, complemented by high-specification features including a full-height fridge and freezer, wine cooler, Quooker boiling water tap, and a sleek gas-on-glass hob. A separate utility room has provided a dedicated space to keep household tasks discreetly tucked allowing the main living areas to remain calm, organised and uncluttered, an invaluable addition for busy family life.

The property offers six spacious bedrooms, with features including a Jack and Jill en-suite arrangement. The two attic bedrooms provide further flexibility, currently used as a guest room and office/storage space. Storage has been exceptionally considered throughout the home. From built-in wardrobes and

a walk-in dressing room to ease storage, the house is perfectly equipped to accommodate the evolving needs of a growing family.

The converted integral garage has been transformed into a versatile snug, playroom and cinema-style space, complete with a full-sized sofa bed. It has been ideal for children, guests, with the potential to be adapted to a home gym or office space. Outside, the garden is well suited to both relaxation and entertaining, with a spacious patio for outdoor dining. To the front, a private driveway provides ample off-road parking for multiple vehicles.

Leaving this home is not a decision we have taken lightly. It has been our pride and joy, and the setting for so many special memories. We move on only to begin our next project and chapter, taking with us everything this wonderful home has given us."
