THE DWELLING

The property has extensive coved ceilings, gas central heating, triple glazing to the front and double glazing to the rear and attractive timber doors with stainless steel door furniture throughout. The house also benefits from recently fitted carpets in the living room, stairs and all bedrooms.

ACCOMMODATION

A part-glazed entrance door leads to the porch, which in turn has a door to the sitting room. This is a very good size room overlooking the front of the property and has a borrowed light and part glazed doors to the dining room. In keeping with the rest of the house, this room is substantial, having floor tiling, a utility cupboard and patio doors to the rear.

Off here is a rear lobby with a door to the rear garden, a boiler cupboard, a staircase rising to the first floor and a cloakroom with a white suite.

The kitchen is very well appointed, enjoying an outlook over the front of the property, and has a comprehensive range of timber effect worktops with grey doors that are soft closing. Fitted appliances include a four ring hob, double oven, dishwasher, washing machine and a fridge/freezer. There is a good range of base units with drawers and

cupboards under, wall cupboards and both floor and wall tiling.

On the first floor is a landing with a hatch to the roof space and an airing cupboard, whilst there are four good-sized bedrooms with three being healthy doubles.

Finally, on the first floor is a family bathroom being well-appointed with a contemporary white suite and half-tiled walls.

OUTSIDE

To the front of the property is a brick block drive providing parking for 3 vehicles and raised beds. To the rear, the garden is a good size, being laid predominantly to lawn with two patios, a number of mature trees, a substantial shed, raised beds and enclosed by lap panel fencing.

SITUATION
