This beautifully maintained two-bedroom, double-fronted period property, built in 1891, offers generous and elegantly arranged accommodation across two floors in the heart of Hastings Old Town. From the moment you step inside, the home's period charm is immediately apparent. An ornate fireplace, detailed cornicing and a welcoming sense of heritage set the tone, creating a warm and characterful first impression befitting a property of this era.

The ground floor features a well-proportioned kitchen/breakfast room, ideal for everyday dining, along with a modern family bathroom enhanced by a skylight that floods the space with natural light. A comfortable lounge provides a relaxing retreat, while the separate dining room offers an inviting area for entertaining, complete with French doors that open directly onto the private rear courtyard—perfect for alfresco meals or quiet mornings outdoors. Practicality is also well catered for, with handy understairs storage and a useful utility room accessed from the courtyard.

On the first floor, you will find two spacious and well-balanced double bedrooms, each offering a peaceful sanctuary. This level also provides access to a charming south-facing sun terrace, an attractive feature that extends the usable living space and offers an ideal spot for enjoying the sunshine. Completing the accommodation is a versatile loft room, accessible via ladder, which is currently arranged as a cosy reading nook but could lend itself to a variety of uses.

Combining generous proportions, thoughtful updates and a wealth of period character, this delightful semi-detached home presents a rare opportunity to secure a standout property in one of Hastings Old Town's most historic and sought-after locations.
