THE PROPERTY

Trevean is a very attractive and impressive semi-detached house, ideally located in a popular and established road within easy reach of the town centre and seafront. It was built in 1929, having classic brick and rendered elevations and, under the current ownership since 2022, has been subject to enlargement and comprehensive refurbishment to provide a well appointed and spacious home.

The improvements have been sympathetically undertaken to retain the original character, typical of its type, including high ceilings, panelled doors, deep skirting boards and ornate fireplaces, whilst now offering a whole number of modern contemporary features.

The impressive specification includes gas-fired central heating (underfloor electric heating to kitchen/breakfast room), uPVC and traditional timber windows plus bi-folding doors, mosaic decorative tiled flooring to the hall and oak flooring to the principal ground floor rooms. Well equipped kitchen with contemporary units, electric induction hob, dishwasher and hot tap, contemporary bathroom and shower room fittings and shutters. In addition, a further big feature are the installation of PV panels.

The extensive and well presented accommodation is arranged over three floors, enjoying stunning views along the Jurassic Coast/Lyme Bay, taking in Golden Cap, Stonebarrow and Chesil Beach to Portland beyond.

OUTSIDE

The house is set back behind a very attractive, newly built, natural stone wall.

Side driveway giving parking for 2-3 cars and log store.

The front garden is arranged with attractive modern paving and terracing together with gravelled areas and side pedestrian gate. The rear garden enjoys a sunny south-facing aspect and sea views. Immediately adjoining is a raised decking area with timber and glass. Steps lead down to a lawn with flower and shrub beds plus open-fronted pavilion and timber shed.

SITUATION

Pound Road is a highly sought after and well established road on the west side of Lyme Regis town. Lyme Regis is a hugely popular and historic coastal town on the beautiful Jurassic Coast and famous for its iconic Cobb. It is a very pretty town and offers excellent shopping, business and leisure facilities together with primary and secondary schools. The immediate area is designated as one of outstanding natural beauty (AONB). The town centre, seafront, beaches, harbour and the Cobb, together with Langmoor Gardens are all within just 5-10 minutes' walk. The market towns of Axminster and Bridport are both very nearby (the former with mainline rail services to London Waterloo and the West Country).
