The bungalow sits back from the road behind a generous driveway that runs down the side of the property to a detached garage. The driveway is Yorkshire stone which continues into the garden adorning the patio. A charming front lawn sits alongside the driveway with flower beds offering lovely kerb-appeal. An entrance porch provides access into the hallway with turning staircase and doors to all rooms. The two reception rooms sit at either end of the property, with a living room at the front boasting dual aspect windows and a fireplace, and a dining/sitting room at the rear with patio doors leading out to the rear garden. Two double bedrooms sit either side of the hallway and the modern shower room and WC are positioned at the bottom of the hall. The kitchen also sits to the rear of the bungalow and provides access into a sun room with glorious views over the gardens. To the first floor is the third bedroom with access into generous eaves storage. Also worth a mention is the gas boiler which was installed in 2024 and is under guarantee.

Externally the rear garden benefits from a southerly aspect and is split into two sections. The section at the foot of the garden sits behind a low wall accessed via two gates, and boasts beautiful wild flowers providing a wonderful rustic feel. The other section is laid to lawn and enclosed by mature flower beds and wooden fencing. There is a paved patio that sits off the sunroom and runs along the rear of the bungalow.
