It has been thoughtfully extended and occupies a generous plot of approximately 0.9 acres (subject to survey), and is located within the sought-after village of Hemswell. This family home blends period charm with modern living and offers as much a lifestyle purchase as a property. Accommodation briefly comprises a welcoming entrance hall, a separate dining room, and a spacious living room featuring a multi-fuel fireplace. The heart of the home is the recently refurbished kitchen diner, which has been designed for family life and entertaining. There is also a versatile study with useful storage, a modern wet room with underfloor heating, and a WC. Rising to the first floor, there are four double bedrooms, along with a family bathroom and a separate WC. The property retains a wealth of character features throughout, reflecting its heritage whilst being thoughtfully updated over time. Further benefits of the property include oil-fired central heating, with the boiler replaced in 2023 (with ongoing warranty) and a new oil tank fitted in 2020, as well as uPVC double glazing throughout. Externally, the property excels and sits on an extensive plot. It is incredibly private, well maintained, and non-overlooked, offering a peaceful and secluded outdoor space. To the front of the property, there is a detached double garage and a driveway providing parking for multiple vehicles. The village of Hemswell offers local amenities, with nearby Hemswell Cliff providing schooling, further services, and amenities. The area also benefits from excellent transport links to Lincoln, Gainsborough, and surrounding road networks.
