Upon entering, a welcoming central hallway provides access to the principal accommodation. The impressive lounge is a particularly attractive room, with a feature bay window allowing plenty of natural light to fill the space. Double doors connect the lounge with the separate dining room, creating an excellent arrangement for both everyday living and entertaining.

The dining room is another generous reception space and provides convenient access through to the kitchen, which is fitted with a range of floor and wall-mounted units with complementary work surfaces and space for a selection of appliances. The kitchen is positioned at the heart of the home and connects conveniently with the hallway and adjoining accommodation.

There are three well-proportioned bedrooms, including two particularly generous double bedrooms positioned towards the front of the property, both benefiting from attractive bay windows. The third bedroom offers excellent flexibility and could equally serve as a guest bedroom, study or additional reception space if required.

The bedroom accommodation is complemented by a Jack and Jill family bathroom and shower room, providing excellent practicality for family living and visiting guests. A further cloakroom is conveniently positioned towards the rear of the property.

A particularly useful addition is the separate utility room, offering valuable additional storage and laundry space.

One of the standout features of the property is the substantial garage, providing excellent space for secure parking, storage, hobbies or workshop use.
