One of Chelsea's finest residences, this exceptional five-bedroom penthouse spans over 5,000 sq ft across the upper floors of Caro Point, offering remarkable scale, an abundance of private terraces and an extraordinary roof terrace with panoramic views across the London skyline and the River Thames.

Arranged across three floors, with a spectacular private roof terrace above on the 14th floor, the apartment has been designed to maximise light, volume and outlook at every level. The roof terrace is a true standout feature, offering some of the best private outdoor space available in Chelsea, ideal for both entertaining and quiet enjoyment above the city.

The main living areas are both expansive and beautifully proportioned, seamlessly connecting to multiple terraces and creating a strong sense of indoor-outdoor living. The principal kitchen is fully fitted with premium Miele appliances and finished to an exceptional standard, perfectly suited to both day to day living and entertaining.

A second kitchen is located on the upper level, providing excellent flexibility for hosting, catering or private use, further enhancing the apartment's suitability for entertaining on a larger scale.

Accommodation comprises five bedrooms and five bathrooms, in addition to a guest WC and separate utility room. The apartment benefits from two outstanding principal suites, both offering excellent proportions. One suite is particularly special, featuring its
