Holmer Green

A delightful, detached house, situated at the end of a quiet cul-de-sac in Holmer Green with driveway parking and a double garage.

This well maintained and extended family house comes to market in the village of Holmer Green, is immaculate in presentation and can be found at the end of a sought after cul-de-sac, close to local shops and other amenities. On entering, through the storm porch, there is a good size entrance hallway and downstairs cloak/shower room. The reception rooms are separate with the living room front facing and having an open fireplace and the dining room having a rear aspect. The kitchen/breakfast room has been extended to provide a good size gathering area with modern, shaker style wall and base units, wood burner in the seating section and French doors leading to the garden. Upstairs are four good size bedrooms and a modern family bathroom, which comprises a low level W.C., wash hand basin and bath with shower over. Outside, to the front, there are shingled borders, driveway parking for three cars and access to the double garage, which potentially could be converted, and there is plumbing inside the garage for the washing machine. To the rear, there is a lovely, good size, private garden with initial patio area, then mainly laid to lawn with well stocked borders and gated side access. The property also benefits from double glazing and gas central heating throughout. This is a must see house!
