Description

Enter into the reception hall with a very useful cloakroom to the side and entry into the main living room. Being open plan with stairs and open access to the dining area, this provides access through the patio doors into the garden. The kitchen offers good usable space with worksurfaces, an inset four-ring gas hob, fume hood above and electric oven below, a range of storage units above and below and a door leading to the utility room, with a door leading to the garden, wall-mounted Vaillant boiler, plumbing for washing machine and dishwasher, worksurface and storage. A further door will take you into the part converted garage which serves as a very useful snug, or potential office space. In turn, sufficient space is available in the remainder of the garage for bins and bikes.

On the first floor, the naturally lit landing provides access to the insulated loft space, an airing cupboard with cylinder and door leading to all rooms. There are two double bedrooms, the first of which has built-in wardrobe space. The third bedroom is a single and also has a built-in wardrobe. The shower room has a full-length walk-in shower with rain head, vanity basin with storage beneath and an integrated W.C.

The rear garden is predominantly laid to lawn with raised patio area, fishpond, outside tap and natural wilding area. Enclosed by wooden fence panelling, you can sit and enjoy the woodland vista. To the immediate front, block paving provides an attractive look and that all-important off-road parking.
